

## Indian Institute of Forest Management

Nehru Nagar, bhopal

13-12-2016

### Notice

The Brand Value and Visibility Enhancement Cell (BVEC) has launched IIFM's outreach programme open to all those who vow to their duty of environmental concerns and look forward to seek career opportunities in environmental, forest or any other field.

The programme is known as **GLAD (Group Learning and Attitude Development)**, which may be open for the residents of Madhyapradesh. The purpose of the programme is to develop the right kind of attitude required to igniting the minds for winning jobs or competitions.

There is no financial burden on the part of the candidates. They just have to email their expression of interest along with the self attested copy of their identity proof.

The facilities of Room no. 13 (BVEC office) will be used to conduct sessions with the participants.

The following activities may be undertaken:

1. M.P. based institutions are invited for collaboration to identify such candidates (who vow to pursue environmental concerns) and resource person, who have achieved the relevant milestone and are ready to volunteer with out any cost. Volunteers can also share their resources.
2. Incase the concerned cell of IIFM allows then other facilities of the IIFM may also be used.
3. The calendar for the session will be provided once the registration at the programme is done.
4. To set aside 1 hr in a week for for IIFM faculty/staff for this purpose.

5. At a time, only 10 candidates may be entertained for personal sessions, may be on first come first serve basis. The duration of the in-participation depends upon the progress of the candidate and cell's decision. Others may carry out the interaction on social media like face book, whatsapp and exclusive blog, meant for this.
