

Library & Information Services

The Library is the document repository of the Institute for collection and dissemination of information in the field of forestry, environment, natural resources, conservation, management and its associated areas. It has a collection of over 41177 books and technical reports etc. Besides, the library also receives more than 50 national/international journals covering diverse areas of environment.

The Library subscribes to 207 periodicals including newspapers, magazines and 6 journals of foreign origin along with 33 online journals free against print subscription. The government and society publications and reports having relevance to forestry and allied field were also procured. A collection of 418 films and VCDs is available in library. A total database of 50000 records using integrated software namely LIBSYS 4X (LINUX) has been created. Article Alert (Quarterly), enlisting selected articles from subscribed journals, were circulated among users. The L&IS subscribed to the Institutional membership of the Developing Library Network (DELNET), New Delhi and their services were used for resource sharing and exchange of information. The Library has subscribed 08 online databases namely Science Direct- {(i) Environmental Science and (ii), Business, Management and Accounting}, EBSCO – {(i) Business Source Elite and (ii) Environment Complete}, J-Gate, Emerald Marketing e-journals collection, Prowess and Indiatat database for facilitating usage through online access of information..

The library is open in all days , except Gazetted Holidays as per the following timings:-

(i) Monday to Friday - 09.00 am to 11.00 pm

(ii) Saturdays & Sundays - 09.00 am to 06.00 pm
