

Preparation of Five year Roadmap and Action Plan on Medicinal Plant Sector for the State of Madhya Pradesh

Investigator: **Bhattacharya, P.**

Sponsored by: National Medicinal Plant Board, Govt. of India through MP MFP Federation

To enhance procurement of Medicinal Plants in sustainable ways and to bring future perspective to the level that fulfills all market demands without overexploitation, National Medicinal Plant Board has sanctioned a project to ICCF on “Developing Roadmap for Madhya Pradesh State Medicinal Plant Board (MPSMPB)”. Under the project, ICCF has prepared a 5 year roadmap for action plan for MPSMPB 2007- 2012 for NMPB by providing input through series of stakeholder’s workshop and expert consultation. The road map was prepared as a policy document with the following objectives: (i) Understanding current situation; (ii) Destination visioning; (iii) Approach to achieving the goal; and (iv) Setting up the milestones.

Three workshops were conducted for preparing a 5 year roadmap for action plan for MP SMPB in Bhopal, Indore and Jabalpur on 31st March, 2007, 2nd April, 2007 and 12th April, 2007 respectively. The Action Plan document contains the detailed physical and financial targets and the approaches of implementation was presented at the workshop in New Delhi and has been submitted to NMPB for its approval and further implementation.
