Alumni Talk:

Ankit talked about various career options in NRM. He also mentioned that 'Inspire network for environment' was highlighted for its work in the field of NRM.

Discussion:

He discussed about CSR in India and said that it mainly dealt with education, health and sanitation sectors. It is yet to evolve and IIFM might play a major role in bringing in various other areas into CSR activities. It is vital to interact with ground level workers in such a management job. He also talked about his experience in plantation sector and told that it could be monotonous.

Suggestion:

- Tapping into CSR is the call of the day.
- Marketing oneself is at the core of getting a placement.
- To always pay attention to trend of companies visiting for campus placements
- To constantly interact with alumni.
