

Subject: - DST Sponsored online training programme for women scientists on Environmental Leadership and Life Skills (Women Components) from 7-11 March 2022

Dear Sir/Mam,

Greetings from IIFM !

IIFM is conducting an online MDP on - **Environmental Leadership and Life Skills (Women Component) 7-11 March 2022**. Programme is sponsored by DST and all expenses for this programme are being borne by them with no cost to participating institutions/participants. The upper age limit is 57 years and eligible participants must be women, working in Government organizations/S&T councils/PSUs in Group A service on regular scale as scientists and technologists. Contractual employees are not allowed as per DST norms.

Please forward this email to eligible women scientists/technologists of your institute with a request to fill the google form to help us in selecting participants as per DST norms.

Further, the selected participants will be required to submit a nomination form duly signed by them and approved by competent authority, before the start of the programme. The maximum number of women participants, per programme, is 25 only. Dr.Parul Rishi and Dr.Balkrishna Upadhyay are Programme Directors.

Looking forward to your acknowledgement and subsequent nominations please. **The Last Date of Registration is Thursday, 3rd March 2022**

Click on the link below to register for the 5 days online training programme.
